We, the Class of 2003, dedicate our yearbook to both Mr. Martin Jaworek and Mr. Russell Noble. They are two dedicated men who take pride in their work. Mr. J and Mr. Noble are intelligent, compassionate, and loyal teachers. While Mr. Noble spends countless hours working on the yearbook, guiding the class officers, and teaching Math, Mr. J helps students fix their problematic cars all the while teaching them everything he knows about life as well as cars.

Mr. J has been a faculty member at Joseph Case High School for past 36 years, taking two years to serve in the Vietnam war. Mr. J is an outstanding teacher as well as a friend. Not only are you willing to help everyone fix their car, but you are also more than happy to listen to your students and offer us your advice. Spending much of your free time helping the students didn't stop you from starting the car club two years ago. Starting this club was something

really special and your students are very grateful for that. Unfortunately for the underclassmen, Mr. J will not be returning next year. He has plans to retire at the end of this year, beginning a new phase of his life.

Our class dedication has also gone to Mr. Noble. Through our four years at Case, Mr. Noble has always been around to support us in everything. His positive attitude is what has made his students successful in high school and will stay with us wherever we may go. As a teacher, you already have a major responsibility, but that didn't stop you from helping with other school activities. You, being the Senior Class Advisor and the Yearbook Advisor have benefited the Class of 2003 tremendously. Thank you for allowing us to use your room whenever we needed time to vent or fill up on snacks.

The Class of 2003 would like to thank Mr. Noble and Mr. Jaworek. You have both made a difference in our lives and we will hold that with us wherever our lives take us. You will be greatly missed.

Dedication

"He's a guy that not just seniors will miss, but all of the students and faculty. We will miss the way he would make everyone happy."

Jay Vasconcellos

"Mr. J helped everyone he could and would always do anything for anyone. He is a generous guy and all of the seniors will miss him. At least he is leaving with the best."

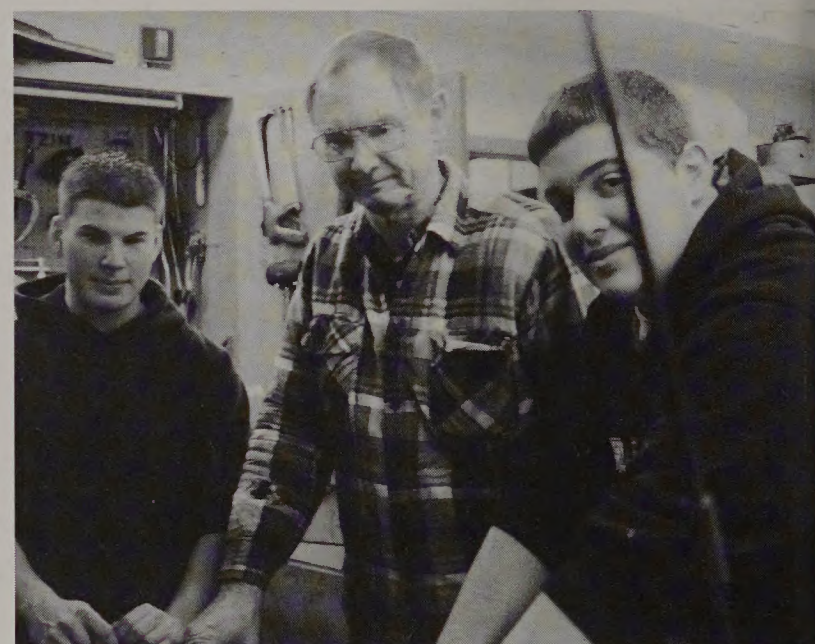

Adam Lake

"Thanks for everything. Even your attempts to teach us everything you know."

Lindsey Costa &
Shannon Loudin

"You are the best teacher for hands on experience that I've had in my four years at Case. Thank you and you will be missed."

Al Lachance

"Here is a guy that is not only a teacher but a great friend. When he is not in class, he is enjoying students company in the yearbook office. He always makes sure to stock the yearbook with goodies. Thank you, Mr. Noble."

Brittney Jean
Robinson

"Thank you for letting me chill in the yearbook office. You have contributed very positively in making my senior year a memorable one. You always look out for the best interest of your students. Thank you."

Tom Ferreira

"Senior year is quite stressful at times and you provided a place to relax and get away from it all. We all appreciate all that you've done for us. Thanks very much. You da man!"

Pat Paquette

"Thank you for all your support over the years. You made math class enjoyable for me while teaching me so much. You are a great mentor and friend. I will surely miss you next year."

Liz Neales

REMEMBERING 9/11

“Our four years at Case left us with many great times we will always remember, and one day we will never be able to forget.”

September 11, 2001 was a day of terror for all Americans as we witnessed four major terrorist attacks on our country. In a span of 18 minutes two American Airlines planes crashed into the two World Trade Center Towers. At Case High School we watched in horror as the two towers collapsed, killing thousands of innocent people. Also that morning a third plane plumaged into the Pentagon, leaving only four sides of the five sided building standing. A fourth plane, apparently heading for Washington D.C., crashed just north of Somerset County Airport, about 80 miles southeast of Pittsburgh. Nearly 3300 people were

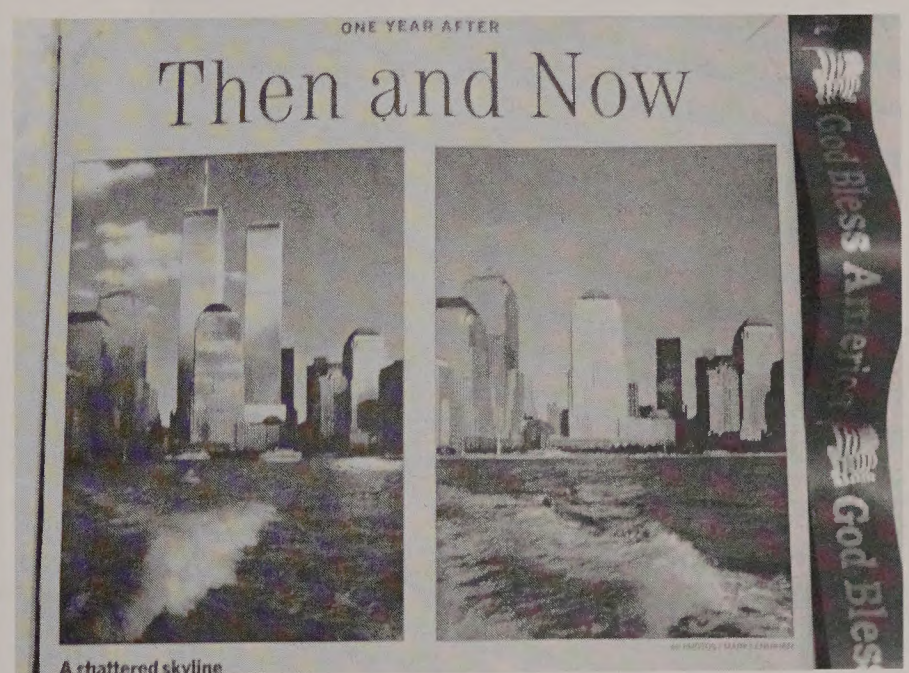

killed that day in New York City, Washington D.C., and Pennsylvania.

These acts of terror left not only Case High School students and faculty, but a nation of Americans, speechless. My first reaction, as well as many other students here at Case, was disbelief, shock, and fear. Each student was affected differently and expressed his or her reactions in various ways. Some displayed hatred and others a great deal of patriotism. Although it is sad it took such a horrible act of terrorism to truly bring this nation together, we should all be able to say, “I AM PROUD TO BE AN AMERICAN.”

This tragedy has pushed each of us in the Class of 2003 to become adults with a much greater love for our country. We will look back at this day and say that it has changed each and every one of us. This day will always be imbedded in our hearts and our minds as a day of prayer, a day of tears, a day of national resolve. We will travel on through life better people because of it, making decisions about our future and working with problems we will all face

to get there. The United States of America makes it clear that we are all individuals, free to accomplish life, liberty, and the pursuit of happiness. Only now we are to remain united and will remain that way, “As one nation, under God, indivisible, with liberty, and justice for all.”

Emily Sousa, Class of 2003

To the Graduates of the Class of 2003:

This yearbook will help you recall a part of your life that you will long remember. Your friends, the activities that you participated in, and your teachers and administrators share pages with you as surely as they have shared some of your important moments. Your High School experience will be a significant part of your adult memories and acquaintances will be revitalized in future reunions, get-togethers and continued friendships.

I offer you, the graduates of the class of 2003 my sincere congratulations and best wishes. Your class has endured a great deal as well as being "The First" to meet the new graduation requirement. Your legacy and accomplishments will always be a part of the "class of '03" and its unique requirements as a footnote.

I wish you well in the future and congratulate you and your parents for your accomplishments. I am confident that the Swanton schools have made their best efforts in preparing you for the future. Best of luck!

Sincerely,
Stephan C. Flanagan
Superintendent of Schools

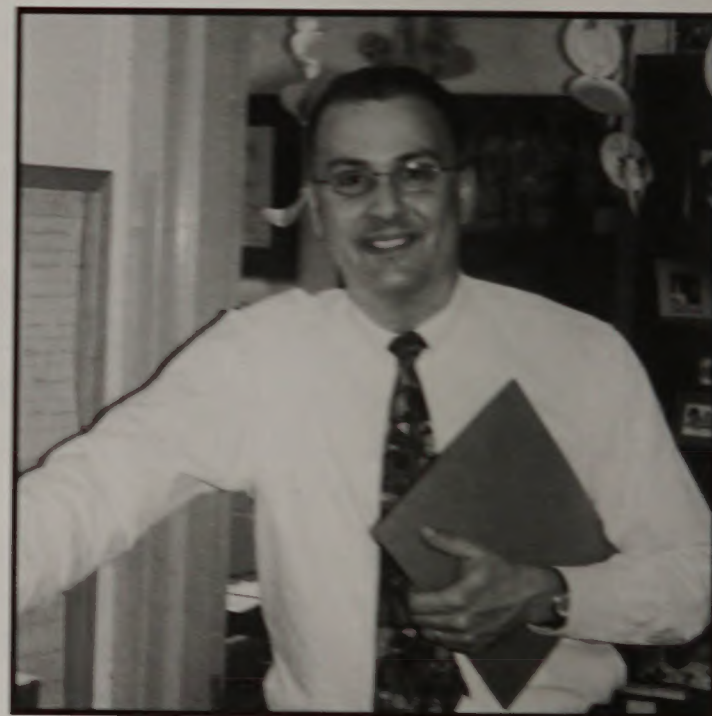

To the Class of 2003:

Each year when I write this message to the graduating class, I pause to remember the many happy times and sometimes difficult moments the class has been through these four years. Undoubtedly, the passing of MCAS has been the biggest pressure ever placed on any class. Your class is the first to have such a challenge thrust upon it in order to graduate. The test and re-tests have been difficult but you all will be stronger for the time and effort you put into preparing for the test. My congratulations to you on your persistence in achieving that goal.

Even with the institution of user fees and activity fees, your class has had tremendous participation in extra curricular activities that have been very successful. I am sure many of you will have fond memories of participating and attending the many activities sponsored here at Case.

I hope you feel that you are a part of a family at Joseph Case High School. We are blessed with many teachers and administrators who have graduated from Case High and have returned to give something back to our community. I wish you the best in the future and remember you can always come home.

Sincerely yours,
Joseph D. Santos,
Principal

To the Class of 2003:

Congratulations on your accomplishments as you complete this phase of your life. Joseph Case High School, our faculty and students have made many differences in shaping who you are today.

They have also helped you make important decisions as to where you are going from here. The journey is far from being over – for most of you, it is merely beginning.

What I would like this class to take away from Joseph Case High School focuses on character.

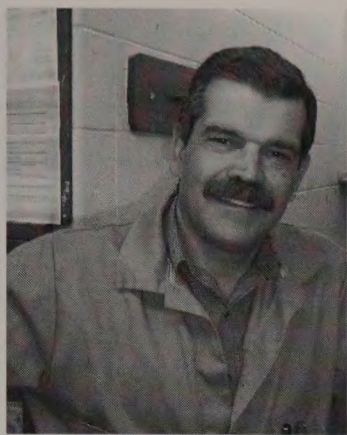

Lord Macaulay wrote "the measure of a man's real character is what he does if he knew he would never be found out." Combine these wise words with the famous thought from Helen Keller: "Character cannot be developed in ease and quietness. Only through experience of trial and suffering can the soul be strengthened, vision clarified, ambition inspired, and success achieved."

May your "evolution" be meaningful.

The Case golf team had some ups and downs this year, but all in all it was a very successful season. The Cardinals were one of the most balanced teams in the SCC. Senior Ben Machado and sophomore Brendan Malone led the way at the top of the lineup and were named Conference All Stars. We finished third in the conference, our best finish ever, and topped off the season by winning the SCC Team Tournament.

Our field hockey team had a good season this year under the coaching of Kelly Roy and George Soares, and the leadership of senior tri-captains Kim Belyea, Kelly Cote, and Sara Pacheco. We fell a few points shy of qualifying for the state tournament but we ended up stronger and closer as a team. We will always remember Kelly's heart, fireballs, and skittles. We will especially remember tying DR 0-0 and all the other memories we shared. With the team only losing four seniors, only the best is expected for the 2003 season. Good Luck!

Two years after our boys soccer program folded due to a lack of players, we took a big step towards respectability with some good performances by our young players this year. We managed only 2 wins and 1 tie, but our very young team was quite competitive in most of the games.

Sophomore Ben Emard won the Sportsmanship Award and was named MVP by Coach Alves. Senior Dan Caron played great this season on defense and in the goal and was awarded the Coaches Award. Emard and junior Nick Szwaja were named to the SCC All Star Team. Best of luck next season and keep improving!

Without a senior on the squad our girls' soccer team moved up to compete with the elite of the SCC. We finished with 10 wins, but it was a tough 1-0 loss to perennial champion D.R. that proved we were for real. We qualified for the State Tournament and won our first round match by trouncing Wareham 6-1. Another tough loss to D.R. ended our season.

Junior Beth Messier was arguably the best player in the SCC and her record breaking performance this year earned her a share of the MVP Award with sophomore keeper Jessica Neales. Freshman Elise Mclear earned the Coaches Award and junior Nina Resendes was cited for the Sportsmanship Award.

A loss to our rival Somerset High, the eventual State Champions, ended our season.

MVP Alex Fanuele and sophomore Jasmine Bonanca were named to the SCC All Star Team and seniors Amanda Bento and Liz Neales earned Honorable Mention Awards.

There are times when things don't always work out the way you want them to. The annual fall sports season started once again, and so did football. This year it was a little more special since it was our senior year. We had an "exceptional" class of seniors, or so everyone thought. The coaches and players thought we were going to be good. Before summer started we had a big senior meeting. At that meeting we had a mind boggling 22 seniors. That is just unheard of in high school football. At the meeting we talked about leadership, dedication, and what was expected from such a big senior class.

There were some dedicated kids, but the season proved there was just not enough dedication. We managed only one win this season, but we will always remember "the drive." Adam Larue carried the ball on 17 consecutive plays on Case's 80-yard touchdown drive to beat Seekonk 6-0. We wish next year's team the best of luck in returning the pride to Case's football program.

The 2003 Winter Track season was under the direction of Coach Joseph Santos. Captains for the co-ed team were seniors Jimmy Garvin and Sara Pacheco and juniors Nina Rezendes and Dave Kelsey. The team was fielded by 4 seniors, 3 juniors, 4 sophomores, and 16 freshmen. Senior Jimmy Garvin was awesome in the high jump, leaping his way to 6'1", a personal best. Although the teams didn't earn many wins, there were many individual winners who produced personal bests throughout the season. This year, the MVP went to James Garvin and Jessica Neales, the Coaches Award to Dave Kelsey and Nina Resendes, and the Sportsmanship Award went to Sara Pacheco and Jon Bisbano.

Our Gymnastics team, led by Coach MaryBeth Turner, had a great season. We ended up with a record of 5-2, and had a high all-around score of 133.85, which is a new school record! This year we co-oped with the girls from Seekonk High School, which turned out to be a great experience for all of us. The team was led by seniors Brooke Antone and Courtney Sylvia. Also on the team were juniors Katy Burns, Kimmy Kocak, MVP Kara Machado, Alicia DeCesare, and sophomore Ashley Munroe, and freshmen Taylor Duhamel and Kristen Lavaoie. The team had a great attitude and enjoyed themselves, even when losing a meet. Good luck to next year's team in their goal to set another school record.

The Girls' -00J Final Basketball team held a record of 14 wins and 7 losses. Starting the season, we only had 4 returning varsity members, leaving 7 spots to be filled. The first couple of games were a building period where the team bonded and became comfortable with each other. Half-way through the season we clicked and went on a winning streak winning 9 of our last 10 games. We had a successful season making the tournament for the second time in many years. This year, the MVP went to freshman Sarah Fullmer, the Coaches Award was given to seniors Liz Neales and Monica Ferreira, and the Sportsmanship Award went to senior Priscilla Bernardo.

HARD WORK PAYS

Case's success was built on a foundation of hard work and dedication. The team's success was a result of the players' balling out, playing through the toughest of times, and the support, daily guidance, and encouragement of the coaches. It all paid off in the end. The team won the Tournament for the third year in a row. In the last 6 out of 7 games, they won the tournament berth. Despite being knocked out from "the dance," we maintain our accomplishments. This year, the MVP went to Tim Manton. The Coaches Award went to Jared Nixon and Cory Ferreira, and Pat Paquette received the Sportsmanship Award.

HOCKEY

CARDINALS

This season, the Case High hockey team merged with Diman to form a team to reckon with in the Mayflower League. Playing under the Diman name they qualified for the state tournament. Case players represented themselves well as upperclassmen Jon Gosselin, Marc Phenix, Kelly Cote, and Derek Tavares experienced their first winning season.

The players were very excited about this newfound success. "It gave us more motivation knowing we had a chance to make the tournament," explained Kelly Cote, a four year starter. Senior forward

Jon Gosselin was the leading scorer on the team. The talented players around him took some of the pressure off, allowing him to score more.

All agree that the change in teams was a great success, made much more gratifying by their involvement in the state tournament.

Class History

FRESHMAN YEAR

As we step off the bus in our new duds and walk through the halls of Joe Case we realize that this place will be our home for the next four years. We quickly start to understand that it is much different than the Junior High we left behind. We can chew gum, eat in class, and walk on any side of the hallway we choose. As each new freshman starts on the road to self discovery we begin to experience many new things. We are introduced to the bubble period, watch Channel One for the first time, and spend time with Mrs. Lucca practicing our library skills. We get used to the multicolored walls and lockers, and the stained duct tape rugs, as well as spending time with Mrs. Copice repeatedly typing "aaa bbb". The girls' freshman basketball team lost every game and unfortunately lost their beloved coach, Mr. Medeiros, who passed away on April 10, 2000. He will always hold a place in our hearts. Although our football team lost to Somerset on Thanksgiving, our Drama Club takes off with the productions of "Lather, Rinse, Repeat", "The Magic of Merlin", and creeps everyone out with "Dr. Jekyll and Mr. Hyde". Our class officers are elected early on and we welcome **Jenna Gadbois** as our President, **Katie Lucca** as our Vice President, **Katie Gibeau** as the Treasurer, and **Caroline Place** as our Secretary. As the school year comes to a close we experience final exams for the first time and the breathalyzers at all the school dances. We have definitely begun to build up our confidence for the upcoming year.

SOPHOMORE YEAR

Thankful for no longer being freshmen we elect new class officers. **Jenna Gadbois** (President), **Shannon Pacheco** (Vice President), **Emily Sousa** (Secretary), and **Dawn Poirier** (Treasurer). We are eagerly anticipating our new Vice Principal after Ms. Stanton transfers to the Junior High, and are relieved to hear that Mr. McCann will be filling the spot. As the year progresses we hate the drastic rule changes, but are calmed by the presence and friendship offered to us by Officer Looker. Our football team beats Somerset 13-6 and our boys' basketball team made the tournament for the first time in 14 years. We dissect pigs with Ms. Camacho and quickly get used to the smell. Drama does well with the productions of "The Wind in the Willows" and "Epic Proportions" and celebrates Mr. Marcello's 25th anniversary at Case with Grease. We have no boys' soccer team, but our softball team wins the State Championship and our cheerleaders proudly carry home the trophy for most spirited at their first year at camp. We say goodbye to Mr. Urban, Mr. Demary, and Mr. Gray, as they retire after many years of teaching here at Case. We also say goodbye to Kenny Brown, a junior who dies in a horrible car accident. We learn to use the cop who directs traffic in front of our school as our daily excuse for being late. We learn not to be afraid of fractions and that all weebles wobble from Mr. Paquette. Springtime brings the dreaded MCAS Exams as we painfully realize that the Class of 2003 is the first class to have the test determine whether or not we graduate.

The Class of 2003

JUNIOR YEAR

Things were different at the beginning of our junior year. Our school receives a makeover, getting new lockers, new carpets, and new room colors. Now we would have to actually remember our locker combinations. The year also began with a great amount of stress as we grieve the deaths of so many who were lost on September 11, 2001. We will always remember where we were that day, sitting in classes watching in horror as the planes smashed into the World Trade Center. Although a great tragedy, we came together as a nation that day and grew much stronger because of it. We elect two new class officers, **Monica Ferreira** (Vice President) and **Tom Ferreira** (Secretary). The rumor of budget cuts rears its ugly head as we worry about spring sports and extracurriculars. The volleyball team wins the State Championship and our band wins the NESBA championships. The rule about no cell phones is in effect and we can only eat first period. We are introduced to Mr. Lew and his never ending supply of coffee and we learn the true value of graphing calculators. We undergo the treacherous process of taking PSAT's and SAT's for the first time and the MCAS results come back. Our football team receives an unwanted shot in the rear from our nurse, Mrs. Howard, as the result of a Hepatitis outbreak. Later in the year we lose our beloved nurse to retirement. Our own **Josh Robinson** is selected MVP as Case brings home the trophy by destroying Somerset 31-0. The Patriots win the Super Bowl and Officer Mello begins his journey with us. Drama goes to the States again with the Greek tragedy "Trojan Woman". **Evan Dunn** and **Amanda Bento** steal the show at our first Prom, as the class officers make it quite an unforgettable evening for the seniors. As the year concludes we anticipate the ramp and graduation, but don't look forward to college applications.

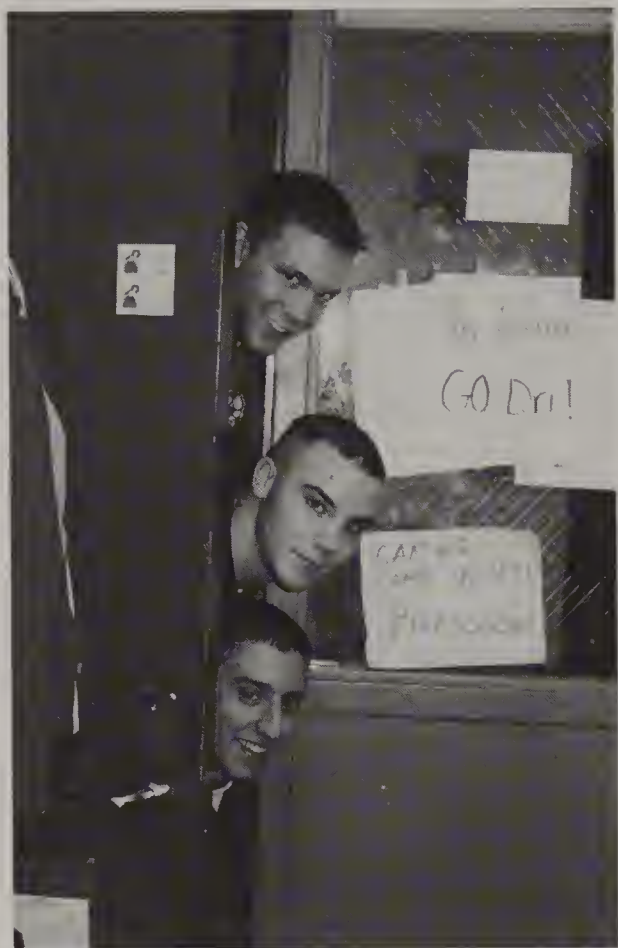

SENIOR YEAR

The college application process was as boring and frustrating as we had feared, but we are all relieved when they are sent out. The faculty certainly has a new look as Dr. Gauthier, Mrs. Smith, Mrs. Wood, Mr. Banville, Mrs. Howard, Mr. Tullson, Mrs. Wilkenson and Mr. Usher have all left. The newest rule says that coffee and soda are out and that we can only eat bread and water, and only during period one. **Amanda Bento** and **Tom Ferreira** are crowned queen and king at our Homecoming Dance and we have a ball getting dressed up for our Semi-Formal. Although the Somerset game doesn't turn out as we hoped, the graduating seniors wish the Class of 2004 the best of luck bringing home the '49er's trophy next year. Drama performs "The Wizard of Oz" before some of the largest crowds in recent memory. We elect the same class officers and they give us a Senior Breakfast that was a blast and we proved that we are the class with spirit as we defend our title in Class Wars. Finally a snow day, and on a Friday, no less. February vacation hits us with the President's Day Blizzard and then the horrific fire at the Station nightclub in West Warwick. The tragedy becomes more personal when we find out two Case grads (Kelly Richmond Viera (Class of '80) and Donna Mitchell (Class of '91) were among the 99 people who died. Senioritis begins to kick in as we anticipate college acceptances, our Prom at the Abby Grille, the Bay Queen cruise, and finally graduation! The senior class has left a piece of themselves here at Case as we move on to the next chapter of our lives. We remember friendships gained and friendships lost and we say good-bye to those we've been so close to over the past four years. Congratulations to the Class of 2003 and Good Luck!!!

YEARBOOK OFFICE

Editors' Page

It's come to the end, the yearbook is finally finished. All of our hardwork has paid off. It all began in the summer of 2002 on our way to Bryant College for a Jostens program. Things started to lead into long school days, but only in the yearbook office of course! Worst of all we would have to come in on the weekends just to meet our deadlines. We always looked forward to meeting Norv, it wasn't only a period out of class but it was time to get started on our new unique yearbook that was going to be different from every other.

The yearbook staff made a record time of completing this yearbook and not missing one deadline!! As the editors we would like to thank our entire yearbook staff for all their time and hardwork put in. As time goes by we will always have all our memories. We would also like to thank Mr. Noble for all the time you've put in and for your good taste for munchies which you shared to all of us. Also to Norv for finding the time to fit us in and for all your extra advice to add a little more flavor to our yearbook. Good luck to the class of 2003 in your future years!!!

Good Luck Class of 2003!

GOOD LUCK CLASS OF 2003!

Time Of Your Life

*Congratulations
Graduates!*

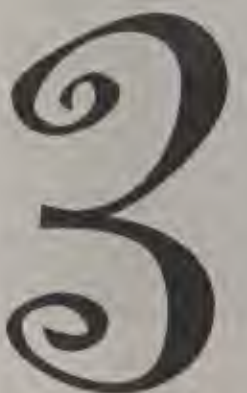

*Another turning point
A fork stuck in the road
Time grabs you by the wrist
Directs you where to go
So make the best of this test
And don't ask why
It's not a question
But a lesson learned in time*

*It's something unpredictable
But in the end it's right
I hope you had the time of your life*

*So take the photographs
And still frames in your mind
Hang it on a shelf of good health and good time
Tatoos of memories and dead skin on trial
For what it's worth
It was worth all the while*

*It's something unpredicatable
But in the end it's right
I hope you had the time of your life*
